Questions & Answers (Q&As)

17/01/2022

You will find below a list of questions received for this call for proposals. Please note that the present document aims to complement and clarify the call for proposals and does not replace it. A Q&As document will be periodically published; applicants are invited to check this website regularly.

Q6.

As University based in Cluj-Napoca, Cluj County Romania, we intend to apply for the above-mentioned financing opportunity however, it is not clear to us whether we are eligible. According to Section 2.3 from the Call Proposal document, Cluj County is not located in one of the eligible areas across Romania. However, Section 6.1 “Eligible Applicants”, states that “Only applications from legal entities established in the following countries are eligible: “EU Member States” therefore Technical University of Cluj fulfills this criterion. In conclusion, our intention is to elaborate a proposal targeting residents teens from the eligible areas.

In this regard, please clarify for us whether the Technical University of Cluj Napoca is eligible for the “EUTEENS4GREEN” call, as an applicant.

A6.

As stated in section 6.1 of the call for proposals, universities are one of the categories eligible to apply. All eligible applicants shall be established in EU Member States. To be resident to one of the territories indicated in section 2.3 is a condition which applies to teens when participating to the call for project which will be implemented by the beneficiary resulting from the outcome of the present call for proposals.
